

Autism Workshop

Shaping the Future

an introduction to the principles and applications
of Applied Behavior Analysis

Presented by
The Virginia Institute of Autism
Charlottesville, Virginia

September 26-28, 2011
November 14-16, 2011
January 30-February 1, 2012
March 19 – 21 2012
June 25 – 27, 2012

The three-day workshop is designed for professionals and parents working with students with autism. Topics covered include an introduction to reinforcement, behavior shaping, prompting methods, teaching strategies, and data collection. The workshop also includes extensive opportunities for direct observation and discussion.

The \$500 fee includes attendance at the workshop, take home reference notebook, and light breakfast each day. As part of VIA's commitment to supporting families, parents and home therapists will receive a 20% discount.

For more information and a registration form, visit www.viaschool.org, or call (434) 923-8252.
