

# SIBLING SUPPORT PROGRAM

Saturday, May 17<sup>th</sup>, 2014

On Saturday, May 17th, 2014, siblings of children with disabilities will have the chance to have a day that's all about them. The Virginia Institute of Autism is teaming up with Charlottesville Parks & Recreation to host a one-day Sibling Support Program. Our goal is to provide siblings with opportunities for peer support within a lively, recreational context that emphasizes a kids'-eye-view. We'll intersperse information and discussion activities with new games (designed to be unique, off-beat, and appealing to a wide ability range) and special guests.
